## **Juror's Statement**

Congratulations to everyone who entered, volunteered, sponsored awards and came together to put on the Art Show. Having over 700 entries is amazing and quite an accomplishment for a county this size. It is an impressive body of work with a varied representation of media and exceptional talent. It was a real challenge in part because of the high quality and diversity shown in every media category.

I attempted to give awards to works that evoked originality, mastery of technique and engage the viewer. I applaud the artists for having the courage to create work and share their talent.

Thank you for having me jury the show and congratulations again for a job well done!
