

**Celebrating  
Our 52nd Anniversary**

**A Heartfelt Message**

To our artist friends and neighbors in West Virginia, who have lost so much in swirling floodwaters— *our hearts are with you!* May you rise above it all with greater strength and courage than you ever knew you had, and may beauty and new hope bloom in your lives again, very soon.

## Dedication of our 52<sup>nd</sup> Art Show

We are dedicating this year's art show to the memory of J. Stewart Bryan III, a friend of Bath County and of the Bath County Arts Association. Stewart passed away in January of this year.

To the greater world, Mr. Bryan was known as the longtime chairman of Media General, a communications giant that counted among its holdings the Richmond Times-Dispatch, as well as 71 television stations. He had been in the newspaper business since 1954 when, at

age 15, he had a summer job in the mailroom of the now-defunct Richmond News Leader.

Stewart and his wife, Lissy, enjoyed their property on the Cowpasture River Road near Williamsville, and a lovely home with a historic core. Stewart, who loved talking about Bath County history, could trace his place back to its humble beginnings in the 18th Century, even before Bath County was founded. The couple was ever generous to this area's cultural concerns – the historical societies, the Bath County Arts Association, Garth Newel Music Center – and could easily be convinced to open their home for a fund-raising event.

A former Marine, Stewart has been described as a consummate gentleman, a “man of the people”, courtly, genteel and principled. He

was a man who encouraged fresh thinking and was a great mentor. He drew people to him because he created an atmosphere of collegiality.

He was always very curious about art and artists, sharing stories about new artists and exhibits. He was especially interested in, and collected, Virginia artists. He was a quiet philanthropist, and his reach certainly extended beyond Bath County. But we honor and thank him, and thank those who loved him, because his patronage of the Bath County Arts Association and of this show was important to all of us.

*-With thanks to Barbara Buhr, Margo Oxendine, and The Recorder*

## **Bath County Art Show Supports the Arts in Bath County**

The Bath County Art Show is a great opportunity to bring artists and art lovers together each year. What people may not know, however, is that the art show is the Arts Association's major fundraiser. All donations and commissions from artwork sales are used to support community programs, award scholarships to students, sponsor visual and performing arts programs and enrich arts education in the Bath County Public Schools.
