

Welcome to the 2017 Bath County Art Show

Thank you for helping us support the arts in our community. Americans for the Arts has identified the following as ways in which the arts contribute to economic development nationally and locally:

Arts organizations are responsible businesses, employers, and consumers. Spending by nonprofit arts and culture organizations – just a fraction of the total arts and entertainment industry – was an estimated \$61.1 billion in 2010, and leveraged an additional \$74.1 billion in event-related spending by arts audiences. This \$135.2 billion in economic activity supported 4.1 million full-time equivalent jobs and generated \$22.3 billion in total government revenue.

Spending by arts audiences pumps vital revenue into the local economy. When patrons attend an arts event, they may pay for parking, eat dinner at a restaurant, shop in local retail stores, and have dessert on the way home. Based on a survey conducted by Americans for the Arts, the typical arts attendee sends \$24.60 per person, per event, beyond the cost of admission. And, nonlocal attendees spend more than twice as much as their local counterparts (\$39.96 vs. \$17.42).

From large urban cities to small rural town, *Arts & Economic Prosperity IV* demonstrates that the arts are an industry – one that supports jobs, generates government revenue, and is a cornerstone of tourism. Business and elected leaders need not feel that a choice must be made between arts funding and economic prosperity. This study proves that they can choose both. Nationally as well as locally, the arts mean business!

Visit www.AmericansForTheArts.org/aep for more information on Americans for the *Arts & Economic Prosperity IV* study.

Gertrude Graham Lacy

The 2017 Bath County Art Show is dedicated to the memory of our long-time Art Show Artist, Gertrude Graham Lacy.

Gertrude Graham Lacy passed away on February 2nd 2017 at her residence on Fiddletop Farm. Gertrude received a bachelor's degree in art from Northwestern University and also studied architecture at Columbia University. While in college, Gertrude spent a summer on a banana shipping barge creating paintings as the boat sailed around the ports of

Central and South America.

Gertrude met her husband and fellow artist Paul shortly after college when he was stationed in her Arkansas hometown during World War II. Paul and Gertrude were married in 1943, honeymooned at The Homestead and, in 1951, they settled on Paul's family farm in Falling Spring. Gertrude believed the Alleghany Highlands was the most beautiful place on earth and was very active in the local community. Gertrude was an avid watercolorist and was a signature member of the Virginia, Kentucky, and Southern Watercolor Societies and an artist member of the Salmagundi Club in New York. Gertrude also authored and illustrated the book "A Walking Tour of Old Covington." She and her husband, Paul, were lifelong supporters of the arts and practicing local artists for over 65 years. Gertrude always made an effort to produce several new pieces specifically for the Bath County Art Show every year and often times donated her work to local fundraisers for other arts organizations including Garth Newel. She is survived by her son, Paul B. Lacy III and daughter Anne L. Wright.

Jane Pollock Mellen

The 2017 Bath County Art Show is dedicated to the memory of our long-time Arts Association member, Jane Pollock Mellen.

Those who have exhibited or visited the art show in the past will remember Jane, whose smiling face greeted you at the desk, guided you through the show, and helped you with your purchase. She was always gracious, friendly, and knowledgeable.

Jane Pollock Mellen, of Warm Springs, passed away on April 4, 2017, in Charlottesville. She was born in New York City on Sept. 18, 1930, and spent her childhood there and on Bay Shore, Long Island. Jane attended boarding school at Stuart Hall School in Staunton, graduating in 1948. That year, her family moved from New York to Winston-Salem, N.C., which had been her mother's childhood home. She attended Holton-Arms Junior College in Washington, D.C., graduating in 1950.

Jane and Amory Mellen Jr. married in 1952. The couple resided in Winston-Salem, where they were active members of the community and St Paul's Episcopal Church. Mrs. Mellen was a talented interior designer and, for many years, owner of The Bellflower Interior Design firm in Winston-Salem. In 1988, the couple made Warm Springs their home, where Jane was active in the Bath County Arts Association, the Warm Springs Valley Garden Club, the Bath County Historical Society, Garth Newel Music Center and Christ Church at Union Chapel. The couple loved to travel, and Jane continued to demonstrate her decorating talents in her own homes and those of others, as well as in public spaces, such as the Garth Newel Manor House.

Jane was also a very active and engaged member of the Stuart Hall Alumni Association, receiving in 2010 the Distinguished Alumni Award, which recognized former students who have demonstrated exceptional moral integrity, social responsibility, and philanthropic service to Stuart Hall and to their communities.

Jane Mellen's philanthropic and volunteer service to this community has left an indelible mark, and cannot be forgotten. She is survived by her husband of 65 years, Amory; her son, Amory III and his wife, Ann, of Millboro, Va.; her daughter Terrell Mellen McDermid and her husband, John, of Washington, DC; and her granddaughters, Terrell Mellen of Richmond, Va. and Sarah Mellen of Charlottesville; as well as the grateful community here in Bath County.

Bath County Art Show Supports the Arts in Bath County

The Bath County Art Show is a great opportunity to bring artists and art lovers together each year. What people may not know, however, is that the art show is the Arts Association's major fundraiser. All donations and commissions from artwork sales are used to support community programs, award scholarships to students, sponsor visual and performing arts programs and enrich arts education in the Bath County Public Schools.
