

Welcome to the 2018 Bath County Art Show

Thank you for helping us support the arts in our community. Americans for the Arts has identified the following as ways in which the arts contribute to economic development nationally and locally:

Arts organizations are responsible businesses, employers, and consumers. Spending by nonprofit arts and culture organizations – just a fraction of the total arts and entertainment industry – was an estimated \$61.1 billion in 2010, and leveraged an additional \$74.1 billion in event-related spending by arts audiences. This \$135.2 billion in economic activity supported 4.1 million full-time equivalent jobs and generated \$22.3 billion in total government revenue.

Spending by arts audiences pumps vital revenue into the local economy. When patrons attend an arts event, they may pay for parking, eat dinner at a restaurant, shop in local retail stores, and have dessert on the way home. Based on a survey conducted by Americans for the Arts, the typical arts attendee spends \$24.60 per person, per event, beyond the cost of admission. And, nonlocal attendees spend more than twice as much as their local counterparts (\$39.96 vs. \$17.42).

From large urban cities to small rural town, *Arts & Economic Prosperity IV* demonstrates that the arts are an industry – one that supports jobs, generates government revenue, and is a cornerstone of tourism. Business and elected leaders need not feel that a choice must be made between arts funding and economic prosperity. This study proves that they can choose both. Nationally as well as locally, the arts mean business!

Visit www.AmericansForTheArts.org/ for more information on Americans for the *Arts & Economic Prosperity IV* study.

Bath County Art Show Supports the Arts in Bath County

The Bath County Art Show is a great opportunity to bring artists and art lovers together each year. What people may not know, however, is that the art show is the Arts Association's major fundraiser. All donations and commissions from artwork sales are used to support community programs, award scholarships to students, sponsor visual and performing arts programs and enrich arts education in the Bath County Public Schools.
