

## Welcome to the 55th Annual Bath County Art Show

Greetings Art Show Patrons,

Thank you for attending the 55<sup>th</sup> Annual Bath County Arts Association (BCAA) Art Show. We hope that you enjoy the impressive display of visual art and that you find reasons to come back again and again.

This year's Art Show is dedicated to our dear friend, that grand lady Janice McWilliams, who died this past spring. Janice was an enthusiastic supporter of the arts, serving on the BCAA board for a number of years and working the Show for even more years. She had an abiding love for Bath County, and her affection was demonstrated in varied ways, including organizing highway cleaning crews and overseeing the gardens at Garth Newel until her death. She is missed!

The BCAA is you. The organization is comprised of individuals and families from all walks of life and from all parts of Virginia and the surrounding states. Our members are committed to promoting education and economic development by promoting the full cross-section of arts. BCAA supports orchestral, chorale and theater arts, regional music festivals, preservation of indigenous music forms, painting, sculpture, woodworking and historic regional cottage industries and crafts. You, our patrons, our supporters and donors, fund BCAA and in turn BCAA underwrites \$35,000 of community art and performance projects – all in Bath County.

Specifically, BCAA underwrites/sponsors in part or whole community programs including the *Annual Bluegrass Jamboree* held each April at Bath County High School (BCHS), *Alleghany Mountain String Quartet*, the *Percussion Clinic* at BCHS, the Emerging Artist Fellowship, museum and performing arts field trips, a music residency at the two elementary schools, and direct purchase of musical instruments and band uniforms for the BCHS marching band. BCAA also provides college scholarships to three local youths as well as scholarships for summer band camps for students interested in pursuing careers in music. In addition, BCAA funds a series of free winter/spring concerts at Garth Newel for the community.

Again, thank you for your support of BCAA at our 55th Annual Art Show. A membership form is included at the back of this program. Please take a moment to become a member and help us continue to enrich the lives of our children and our community by supporting the arts in its many forms.

Sincerely,

*Alan Seacord*

Chairman, Bath County Arts Association

## Janice M. McWilliams

1931 - 2019

“How hard can it be?” Janice would ask. Friends would smile. They knew this meant that Janice, sleeves rolled up, was ready to tackle whatever needed doing.

Janice moved to Warm Springs with her husband, Jack, in 1981 to operate the Inn at Gristmill Square, which they had recently purchased. Bath County would become home. In the years since, Janice proved herself an astute businesswoman, tireless volunteer, and community advocate. Her commitments included leadership stints as President of the Chamber of Commerce, appointment to the Department of Social Services Board, and generous service as a Board member of the Bath County Arts Association, the Bath County Historical Society, the Warm Springs Valley Garden Club, the Alleghany Highlands Free Clinic, the Garth Newel Music Center, and Preservation Bath. Janice understood what was expected of those in service to the community. She served with an enthusiasm that was contagious, with energy that challenged us to keep up, and with a modesty that seemed second nature.

An Art Show volunteer for decades, Janice was always among the first volunteers to arrive on the day the show was hung, and she was always one of the last volunteers to leave on Sunday afternoon—her car filled with art that would find a home in her basement until claimed.

Busy as Janice was with her committee work, she found time to enjoy gardening. Janice planted the flower boxes in front of the Warm Springs post office and the containers at the Garth Newel Music Center. A voracious reader, Janice was a member of several book clubs in the county. A Jackson River Yacht Club sticker on the rear window of her Subaru hinted at the fact that Janice remained a fearless kayaker. Janice was a Garth Newel regular with a reserved seat on the back row of the concert hall.

And yet Janice’s gift was so much more than her unwavering dedication to our community. Janice was our friend whose life’s example enriched our own. The strength and courage with which Janice confronted difficult illness provide us with a road map to go boldly forward. Her good spirits, quick wit, and insightful comments have uplifted us all. “How hard can it be?”

So, in tribute, the Bath County Arts Association dedicates the 55<sup>th</sup> Annual Bath County Art Show in memory of Janice McWilliams.
